

## Stuck in the Middle with You

Well, I don't know why I came here tonight  
I got the feeling that something ain't right  
I'm so scared in case I fall off my chair  
And I'm wondering how I'll get down the stairs

Clouds to the left of me  
Giant to the right  
Here I am, stuck in the middle with you

Yes, I'm stuck in the middle with you  
And I'm wondering what it is I should do  
It's so hard to keep this smile from my face  
Losing control, yeah, I'm all over the place

Clouds to the left of me  
Giant to the right  
Here I am, stuck in the middle with you

When you started off with nothing  
And you're proud that you're a self-made man  
And your friends, they all come crawling  
Slap you on the back and say  
"Please, please"

Well, I don't know why I came here tonight  
I've got the feeling that something ain't right  
I'm so scared in case I fall off my chair  
And I'm wondering how I'll get down the stairs

Clouds to the left of me  
Giant to the right  
Here I am, stuck in the middle with you

Yes, I'm stuck in the middle with you  
Stuck in the middle with you  
Here I am, stuck in the middle with you
